

# RABBIT!

APPROVED

When you can't be off by a Hare.

You can count on the precise performance of Perfect Stop® calipers.

\* No rabbits were harmed in the testing of these brakes.

## THE PERFECT STOP YOU CAN ALWAYS COUNT ON.

Perfect Stop® calipers are remanufactured to match the stringent OE specifications required by the original design. Our calipers are friction ready and include special features like new bleeder screws to ensure hassle-free installation with coverage for all your foreign and domestic vehicles. You can count on the performance of Perfect Stop® calipers with every stop!

Perfect Stop® tested. Rabbit approved. [www.perfectstop.com](http://www.perfectstop.com)
